

Undergrads for Opera at UCSD presents...

An Evening of Art Songs

Friday, 27 January 2012

7:00 pm

Conrad Prebys Music Center Recital Hall

Featuring pianist Isaac Lu

Mission Statement: The purpose of Undergrads for Opera at UCSD is to provide undergraduate classical vocalists with the opportunity to gain experience planning, organizing, and performing in events that are not directly dependent on the UCSD Music Department. Performances include, but are not limited to, solo and joint recitals, staged and non-staged opera scenes and one-act operas, and collaborations with instrumentalists. These performances will be free to the public, and aimed primarily at UCSD students. Through the process of creating professional-level performances from scratch, participants gain valuable experience and develop a sense of community.

Special thanks to: Isaac Lu, Philip Larson, Tiffany DuMouchelle
