## *A Child's Garden of Dreams*

David Maslanka

No. 1

There is a desert on the moon where the dreamer sinks so deeply into the ground that she reaches hell.

No. 2

A drunken woman falls into the water and comes out renewed and sober.

No. 3

A horde of small animals frightens the dreamer. The animals increase to a tremendous size, and one of them devours the little girl.

No. 4

A drop of water is seen as it appears when looked at through a microscope. The girl sees that the drop is full of tree branches. This portrays the origin of the world.

No. 5

An ascent into heaven where pagan dances are being celebrated; and a decent into hell where angels are doing good deeds.
